\* 30 hour funding children only

## **Funding April 2022**

**You MUST apply for your 30 hour code yourself from HMRC via childcare choices. Free Rangers can only apply for your '30 hours' from BANES if you provide a valid 30 hour code which you must have received from Childcare choices by the deadline for that term.**

Free Rangers will claim for your funding from BANES when your child is eligible. Laura ([accounts@freerangers.org.uk](mailto:accounts@freerangers.org.uk)) will communicate with you what information she will need to make this claim on your behalf. BANES pay a set rate of funding per hour per child to all Early Years settings to allow them to deliver and provide the EYFS curriculum to eligible children. Free Rangers offer services above and beyond the requirements of the EYFS curriculum and as such, charge for these additional services and products. This is summarised on your invoice as 'Free Rangers Environment and Resources' and more information can be found on our terms and conditions.

We are open 50 weeks of the year and BANES pay 15 hour and 30 hour funding over 38 weeks of the year. Once spread, you will be able to receive 12 hours funding over 47.5 weeks if in receipt of 15 hour funding, or 23 hours funding over 50 weeks if in receipt of 30 hour funding.

15 hour funding will be allocated during our core hours of 9am – 5pm and 30 hour funding will be allocated over the whole day 8am – 6pm.

The 2 ½ weeks unfunded with 15 hour funding can either be attended and paid in full, or taken off without charge. This 2 ½ week period is the second half of August and cannot be taken at any other time.
